OBJECTIVE

Undergraduate

I am a BS Computer Science undergraduate in my 6th semester, specializing in HTML, CSS, Bootstrap, JavaScript, and WordPress. With a strong desire to contribute to a dynamic organization, I am seeking a position as a professional Front-End Developer. My skills, knowledge, and attention to detail allow me to create visually appealing and user-friendly interfaces. I am motivated, quick to learn, and stay updated with the latest industry trends. I look forward to leveraging my expertise to contribute to the growth and success of your team.
